

## **CALL FOR WORKERS**

### **Verse 1**

In the vineyard of the Lord,  
There is work for all to do;  
Will you go and work today,  
With a purpose strong and true?

### **Chorus**

Heed the call, brother dear,  
For workers today;  
Let your eyes see the need  
Of workers today.

### **Verse 2**

Brother, sister, hear the call!  
All along, your aid afford,  
Let us strive to save the lost  
Strive to save by work and word.

### **Chorus**

Heed the call, brother dear,  
For workers today;  
Let your eyes see the need  
Of workers today.

**Verse 3**

Mark the spirit' s direful fate,  
Wheresoever sin is found;  
Come, and lend a helping hand,  
Let the shackles be unbound.

**Chorus**

Heed the call, brother dear,  
For workers today;  
Let your eyes see the need  
Of workers today.

**Verse 4**

Oh, for workers strong and brave,  
Who will lift the banner high;  
So the lost can see the way,  
To the mansions in the sky.

**Chorus**

Heed the call, brother dear,  
For workers today;  
Let your eyes see the need  
Of workers today.
