

HIDE ME, ROCK OF AGES

Verse 1

Oh Thou blessed rock of ages (rock of ages I am)
Trusting now dear Lord in Thee (dear Lord in thee I'm trusting)
Keep me till my journey's ended (journey's ended, keep me)
Till Thy blessed face I see

Chorus

Hide me oh blessed rock of ages (blessed rock of ages hide me)
'Til Thy blessed face I see (Thy face I see in glory)
When the storms around me rages (round me rages, blessed)
Rock of ages hide Thou me

Verse 2

When my journey is completed (is completed Saviour)
And there's no more work to do (no work to do oh blessed)
Saviour guide my weary spirit (weary spirit to that)
Happy land beyond the blue

Chorus

Hide me oh blessed rock of ages (blessed rock of ages hide me)
'Til Thy blessed face I see (Thy face I see in glory)
When the storms around me rages (round me rages, blessed)
Rock of ages hide Thou me
