

SALVATION HAS BEEN BROUGHT DOWN

Verse 1

Jesus gave His life a ransom yonder on Calvary
On Mount Calvary, cruel Calvary
Paved the way by blood that we might win a bright shining crown
Praise His (blessed) holy name, salvation has been brought down (oh glory)

Chorus

Praise the Lord, (blessed Lord), salvation has been brought down (from heaven)
Go and shout (go and shout), and tell it the world around
Go preach it and tell it today to people in sorrow
Tell it today and tell it tomorrow
Preach the word of God that we might win a (shining) crown (in heaven)
Tell the lost (all the lost) salvation is full and free (to sinners)
Spread the news (blessed news) all over the land and sea
Go teach it and tell it afar in every nation
Tell it afar all over creation
Praise the Lord, (blessed Lord), salvation has been brought down.

Verse 2

All alone without a friend, He suffered to pay it all
Yes He paid it all, my Jesus paid it all.
In His blessed promises, sure victory will be found
Praise His Holy name, salvation has been brought down.

Chorus

Praise the Lord, (blessed Lord), salvation has been brought down (from heaven)
Go and shout (go and shout), and tell it the world around
Go preach it and tell it today to people in sorrow
Tell it today and tell it tomorrow
Preach the word of God that we might win a (shining) crown (in heaven)
Tell the lost (all the lost) salvation is full and free (to sinners)
Spread the news (blessed news) all over the land and sea
Go teach it and tell it afar in every nation
Tell it afar all over creation
Praise the Lord, (blessed Lord), salvation has been brought down.

Verse 3

There's a blessed home prepared way over in gloryland
In bright gloryland, blessed gloryland
I have trusted in His love and now I am heaven bound
Praise His (blessed) holy name, salvation has been brought down (oh glory)

Chorus

Praise the Lord, (blessed Lord), salvation has been brought down (from heaven)
Go and shout (go and shout), and tell it the world around
Go preach it and tell it today to people in sorrow
